# Kacey

## *Self-Ordained Slut*

Anyone who's ever been with Kacey (men and women alike) will agree on one thing - Kacey is one very dirty slut. It hadn't always been this way. In fact, all the way through college, Kacey had been known as the last virgin on campus - a reputation she abhorred. However, it had been instrumental in introducing her to her future husband. A minister in the making, Kacey was a perfect fit. He was saving himself for marriage, as Biblically ordained; she was saving herself, for heaven knows why. Somehow, they clicked. It could have simply been the fact that they were both so frustrated and horny they couldn't take it anymore, but whatever the reason, tying the knot seemed like the smartest thing they could do.

What Kacey didn't know was that when two virgins hook up, they're setting themselves up for disaster. To her credit, she tried, but this was one convergence which definitely wasn't about to provide any ecstasy - neither religious or physical.

For 23 years she put up with this amateurish screwing. She pretended that it was her faith that kept her from straying, but 5 minutes, in bed with her husband, was enough to destroy any faith she might possibly have. Finally, she came to the painful realization that she was human, plain and simple.

When it came to screwing, her husband's imagination was as inventive in the sack as it was in the pulpit. By the time that Kacey actually got up the courage to cheat, she was dying for any sort of attention. She wanted everything she could get, anytime that she could get it, in each and every one of her under and poorly used holes. She wanted it all.

Once word got around that the pastor's hot wife was on the prowl, Kacey had her choice of partners. Oh, she didn't stop at cock, either. She'd always wondered how cunt tasted, and try it, in every form, she did. And liked it.

Now that she's hooked, a veritable nympho, she's moving onto bigger and better things. Don't you have something bigger and better you'd like her to explore? All your fantasies are only a number away.

# Ariella

*MILF On a Mission*

This particular MILF had gotten knocked up about 10 years before she was ready to start a family. At the beginning, it was tough - especially tough as the father was out of sight and out of mind, just as soon as he learned of the success of their little "accident." So, it was left up to a very young Ariella to raise her baby, all by herself. Tough as nails and resilient as shit, Ariella pulled through, even though, at times, she struggled to provide. Her little boy was her life; nothing else mattered, not even her very empty and hungry pussy.

Sure, if she could magically turn back time, she would, and do everything differently, but this is something that only happens in dreams. Still, she was soon to see an upside to all the hell she'd put up with over the years. It came in the form of her son's best friend, Luke.

Let me tell you, a woman like this isn't used to going without. But Ariella had gone without for years. She knew Luke had a crush on her, but did she dare? Who was she fooling? She wanted to bed the young stud and as quickly as possible.

She knew her son would flip if he ever found out, but need he ever find out? At the moment, that was the last thing on her mind. She had a very hard and very long cock in her cunt, and she intended to fuck it absolutely dry.

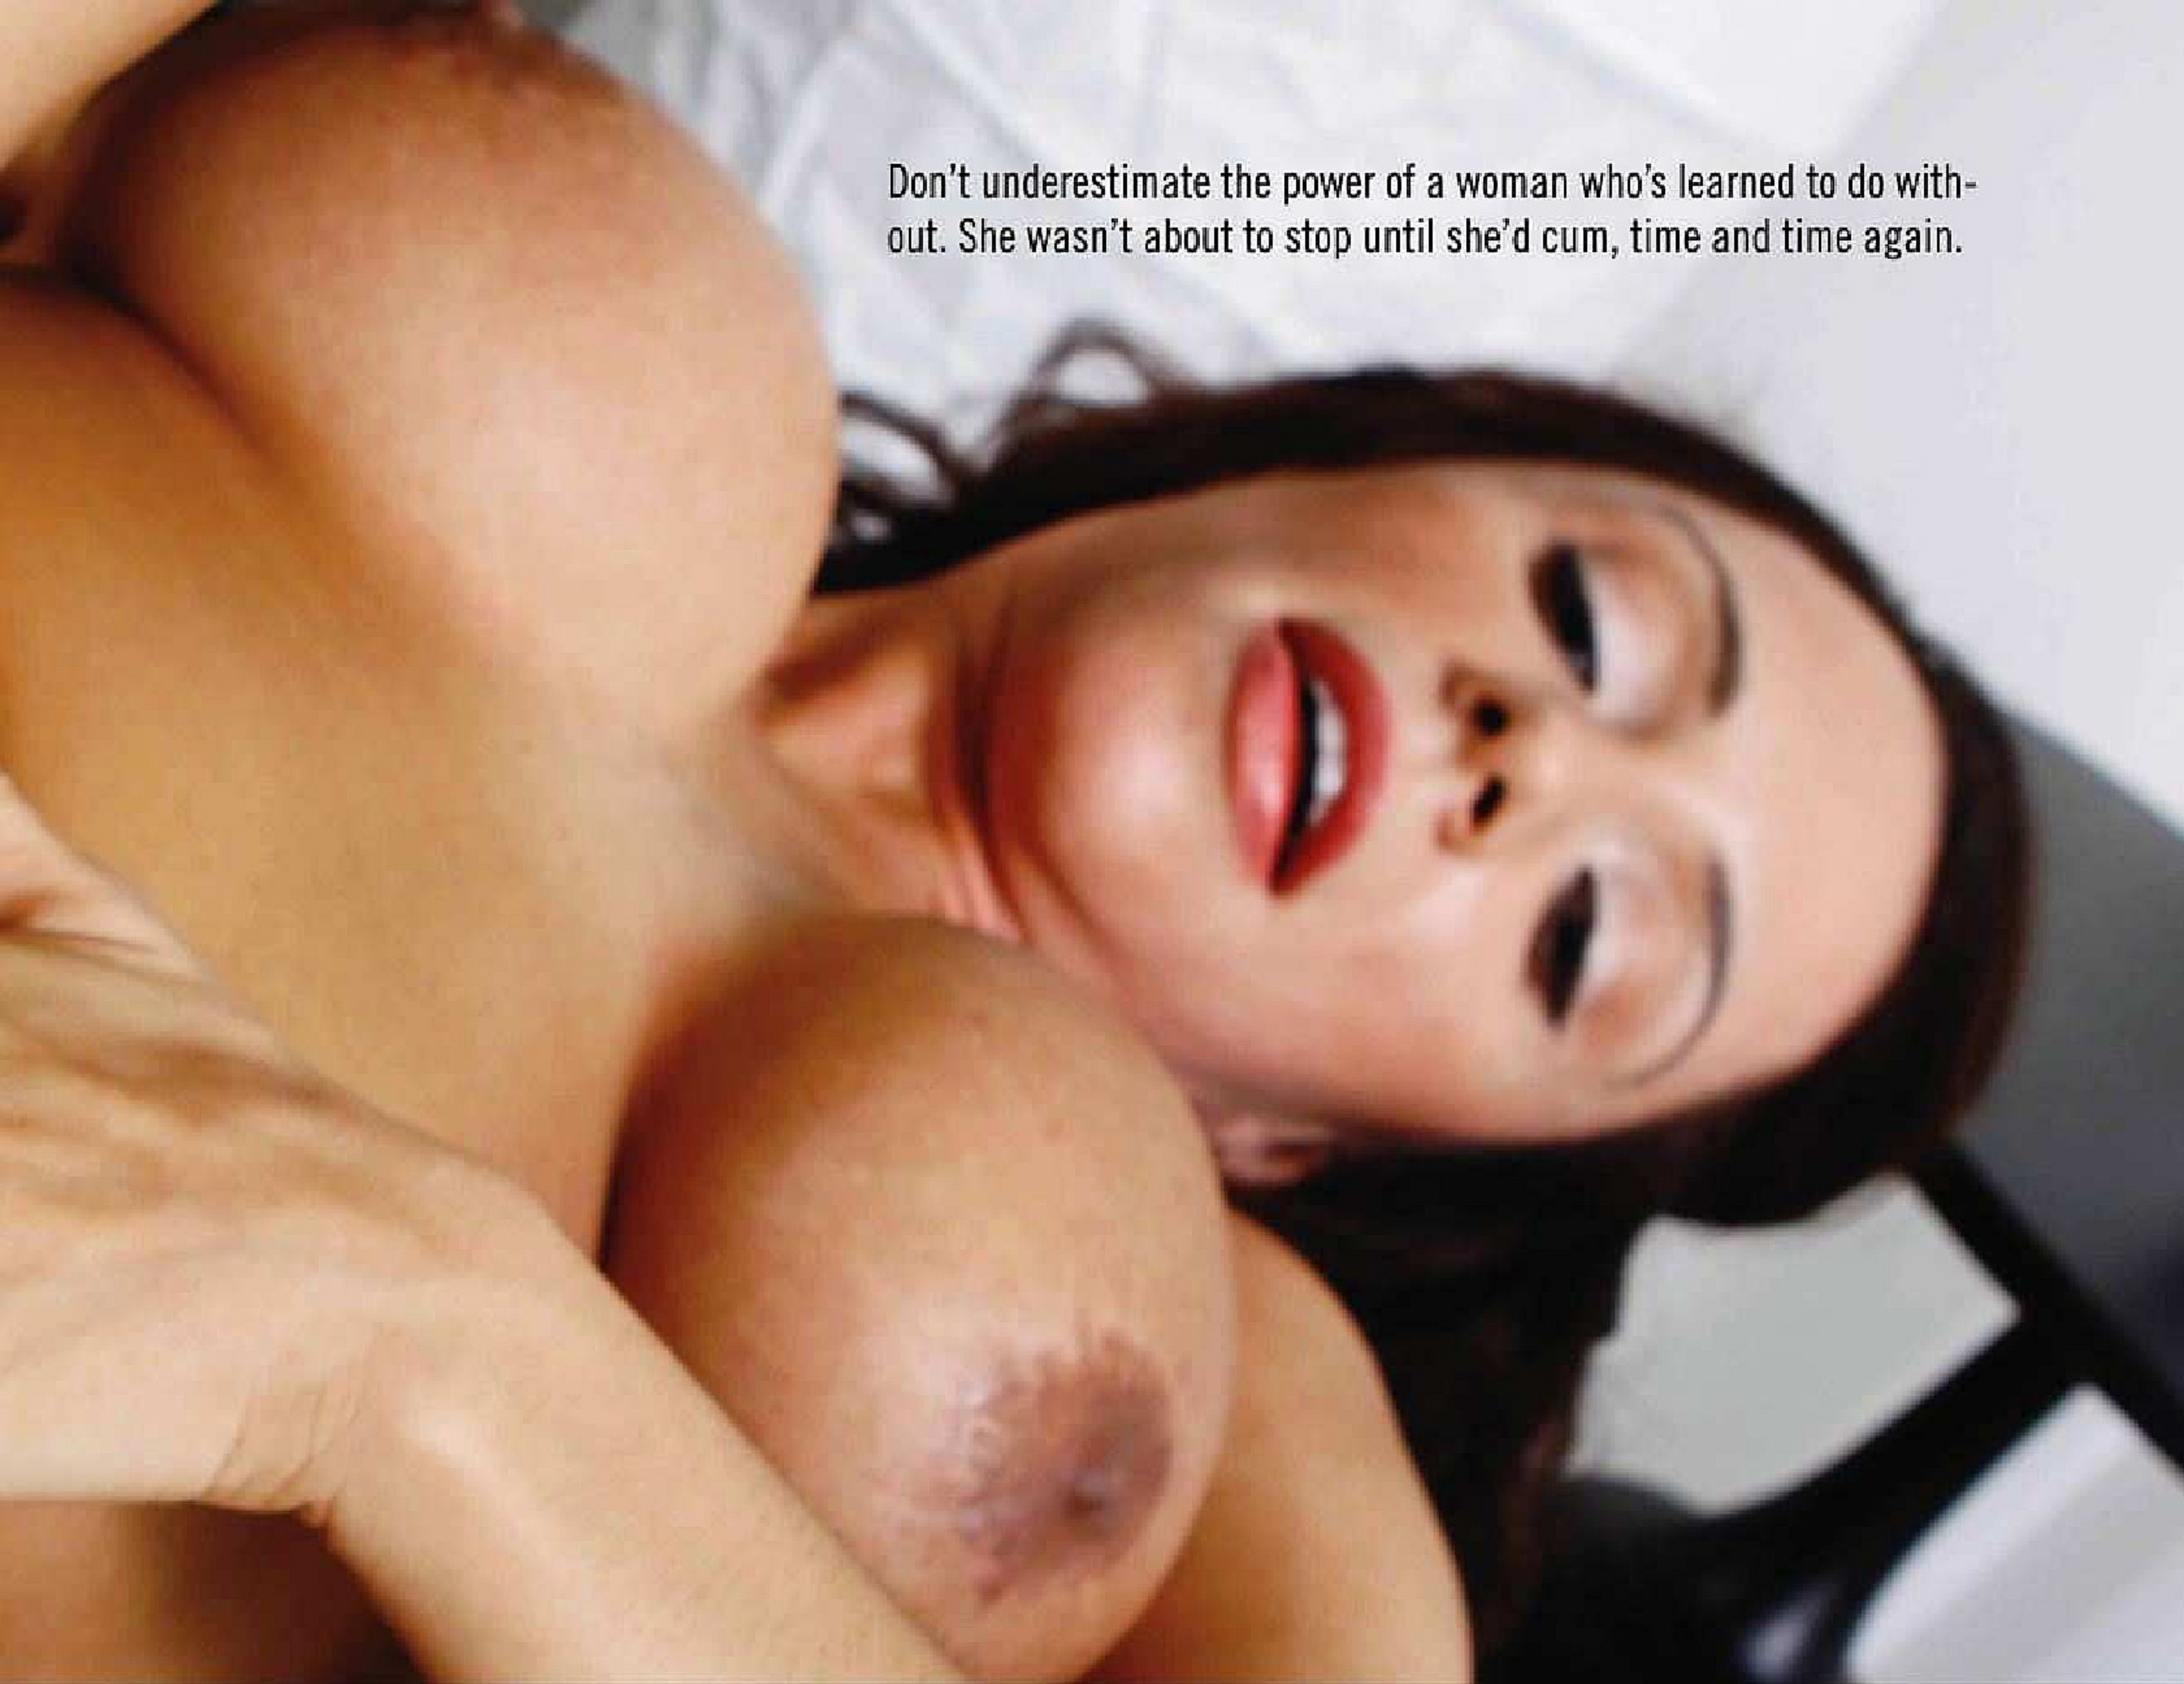

Don't underestimate the power of a woman who's learned to do without. She wasn't about to stop until she'd cum, time and time again.

Now, this is the type of treatment a hardworking MILF deserves. If you think this will keep her satisfied, think again. She's only just started. Don't you want to join her? This great throat and tits are just a phone call away.

I arrived home about 7:30. After another hard day at the office.

My husband, Grant, was sprawled out on the couch in his underwear, a beer can balanced atop his hairy belly, a slice of pizza cradled in one hand and the TV remote in the other.

"Please, don't get up," I snarked.

He got up. And it was the last thing I said to the man.

Grant knocked my leather briefcase out of my hand, slapped me hard across the face, sending my glasses flying. He grabbed onto my blonde hair and jerked my head back, ripped my white satin blouse wide open right down the middle.

I gasped, trembling, surging with heat, as he sunk his teeth into my stretched neck and spaded his greasy hand into my satin bra, shoveled out my tits. He pulled back, and slapped my flushed face again, then my shimmering tits, viciously reddening the heavy, creamy-white breast-flesh, jolting me full of excitement. Then Grant grabbed up a tit and stuffed it into his mouth. He bit down hard on the smooth, sensitive skin, almost tearing off my throbbing pink nipple.

I teetered on my high heels, dizzy upstairs, drenched down below. Grant held me up by the hair and breasts, spitting out one tit and sucking up the other, roughly mauling the one he'd just mouthed. Before tearing my black leather skirt away and whacking the

## KING OF THE CASTLE

flat of his hand into the sodden mass of my pussy.

I jumped, just about cried out, rocked with wicked pleasure that sprayed through my body. My husband ripped my white satin panties apart and stabbed two fingers deep into my cunt. I bit my lip to bleeding, shuddering. As he pumped me, pulled on my hair, inhaled my tits and violently sucked on them.

It was raw, savage, sexual. And it got

even better, when Grant made me submit even further to his brutal loving.

He took a last sharp bite at my vibrating nipples and then pulled his fingers out of my dripping slit and shoved me down to my knees on the carpet. "Lick my feet, suck my toes," he growled. "Then my cock."

I went down on all-fours at his bare smelly feet, and kissed the hairy toes of his left foot one at a time, then his right. Then I licked his feet, up and down, dragging, swirling my tongue all over his arches. He kicked a big toe into my open mouth and I sucked on it, sealing my plush lips tight around the bulbous head and billowing my cheeks; staring submissively

up at my husband.

His cock bulged the front of his stained briefs. He pulled the one foot back, kicked the toed tip of his other foot into my mouth. My lips stretched wide, cheeks bloated, as I sucked on his entire foot end.

"Now my dick," he rasped.

I raised my head and the rush of blood made me even dizzy. But I grabbed onto Grant's thick thighs and planted my wet, red lips on the huge hump in his briefs. He grunted. His cock pulsed under my mouth, swelling up thicker and longer. I licked his hardening length from his cotton-cupped balls all the way up to the stretched waistband of his underwear.

And when I sucked on the mushroomed tip of his prick through his briefs, he suddenly yanked me up by the hair and dragged me off into our bedroom, tied me up and fucked me.

He seized my wrists behind my back and lashed them together with the flexible blue cord that lay on our bed. Then he roped another length of cord around my chest, over and under my tits, tied that up tight behind my back, ballooning out my breasts.

He pushed me facedown on the bed, spun me around, pulled out my black stockinged legs and secured my ankles to the brass bars at the head of the bed. Then he climbed onto the bed with me, in between my spread legs, and smacked my bum. I jerked, pressing my face into the comforter to stop from screaming.

Grant shoved my arms up by the bound wrists and whaled my bottom, beating searing pain and pleasure into my soft, mounded butt cheeks with his bladed hand. And when he had my bum flaming red as my face, he really bore down on it, draping his burning body

over mine and spearing his cock into my pussy, pounding down into me.

I choked on the bedspread, Grant thumping against my blistered backside, slamming his cock back and forth in my soaking cunt. The bed creaked faster and faster, the man hammering my pussy, breathing hard and hot against my neck, spitting into my hair, punishing me with his prick.

I was a mess, my blonde hair wild, make-up smeared all over my face with my tears, tied at the wrists and ankles. Orgasm welled up from my cock-pistoned cunt.

Grant jumped off of me. I gasped with disappointment, on the raw edge of utter ecstasy.

He walked around to the foot of the

bed, pulled my head up against the brass bars and rammed his pussy-slick dong through and into my gaping mouth. He fucked my face, sawing his cock in and out of my mouth. Then he came, grunting and spurting straight down my throat, hot salty blast after blast.

I gagged, gulped, glaring up at the jerking guy. I hid my own orgasm, that suddenly lit up my clit and blazed through my body, anxious not to spill a drop of my husband's shooting sperm.

I might be queen of the office, but Grant's king of the castle.

# Carolyn

## *Second Time's a Charm*

Carolyn'd had the misfortune of walking in on her husband, balls' deep in a 20-year younger tramp. Sure, she's hot, but at her age, how can she possible compete with a 21-year-old. Simple answer is that she can't. Truth be said, she was blind-sided. She hadn't a clue that her husband was screwing around on her. After 18 years of marriage, she thought she knew the douche, but apparently not. Well, this was one relationship she wasn't sticking around to work through. If he'd cheated on her, she'd cheat him... out of her amazing body.

The bad part of this plan was that Carolyn was even hornier than ever. Not only that, but she'd lost her sense of confidence, and she really wanted it back. Pronto. Like she had anything to worry about at the moment.

A full-page photograph of a woman with blonde hair lying on a bed. She is topless and has her legs spread wide, looking directly at the camera with a slight smile. The bed has a brown quilted coverlet and white pillows. The background shows a wooden headboard. In the bottom right corner, a person's leg wearing a black high-heeled shoe is visible.

A woman wronged... Carolyn does nothing in half measures. This slut knows exactly what she wants and exactly how to get it. The best of both worlds - as long as you keep her happy and filed, she'll give you the ride of your life.

Trust us, when it comes to snatches, Carolyn's leaves nothing to be desired. Why any man would cheat on this is a complete and utter mystery. Just see for yourself...

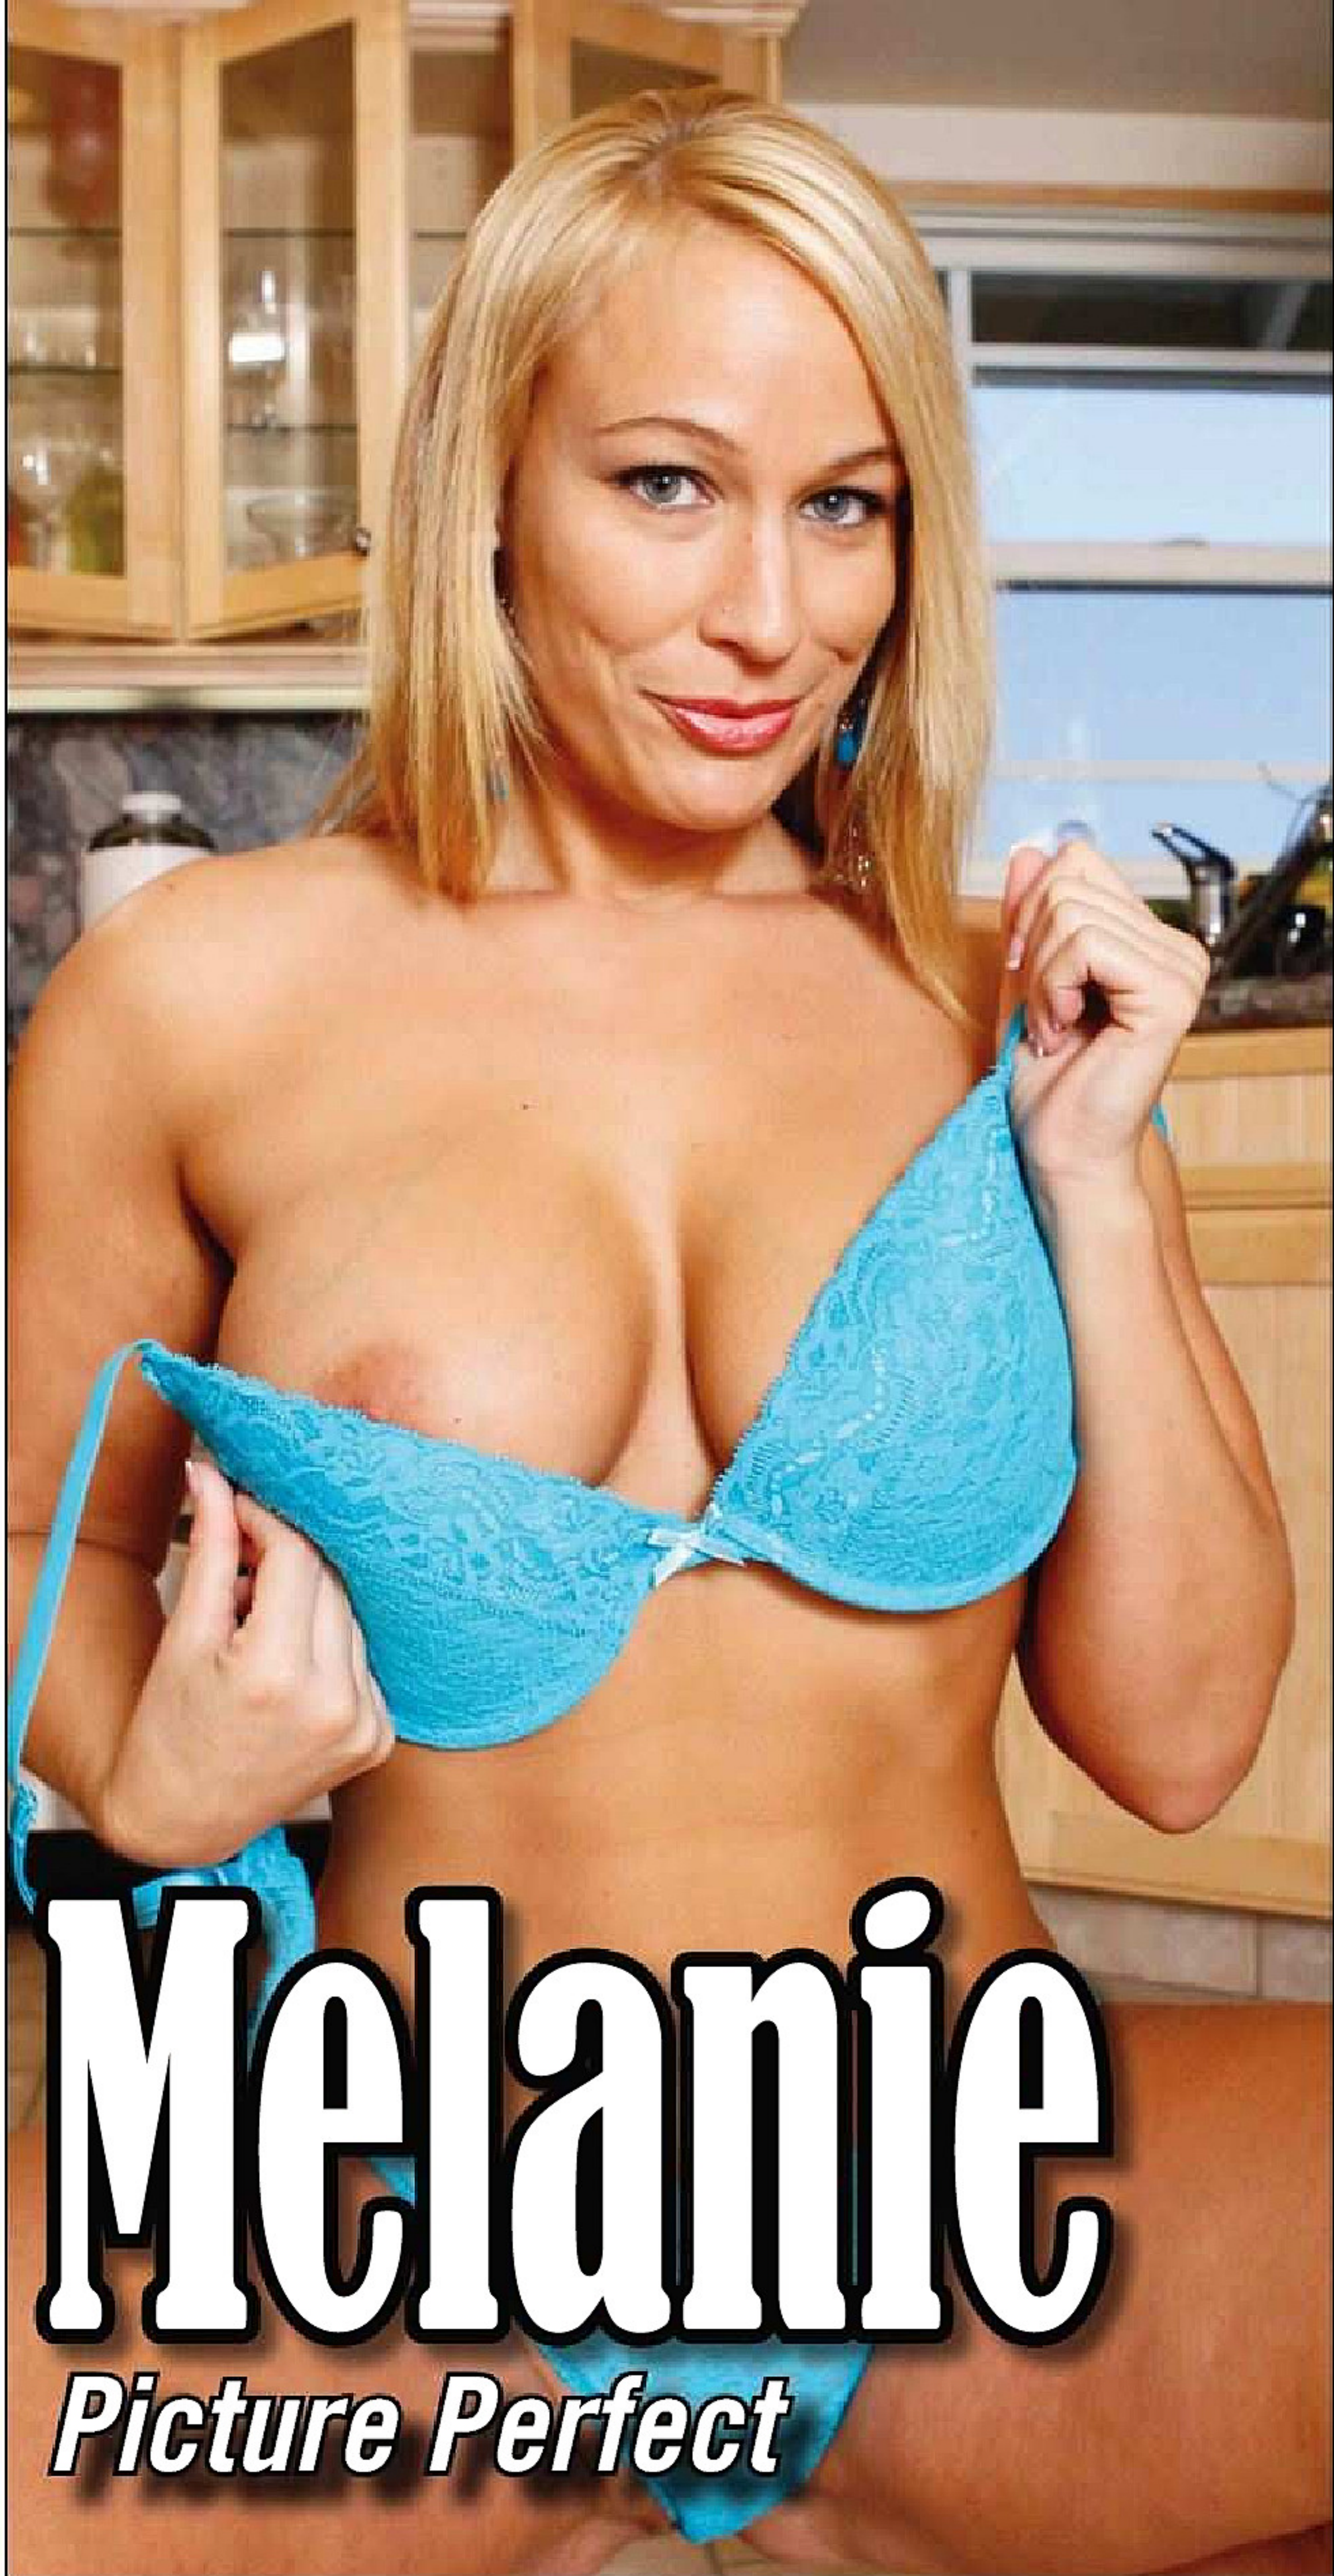

Once a woman steps out, she's never going back. Looks like, if Carolyn has her way, she won't slow down anytime soon. Prime target, guys. We promise; with this one, you'll be sure to score.

# Melanie

## *Picture Perfect*

To all appearances, Melanie is the perfect wife and mother. She dotes on her children, pampers her husband, and little would you think that Mrs. Perfect isn't quite so perfect. Melanie has certain urges and needs - urges and needs she didn't have when she first got married. They just seemed to grow over the years. It was probably because she married the first man she ever fucked, so had a limited introduction to what it means to have sex. All she knew was that while her husband was loving, he lacked that raw hunger she looked for in a man. This is the point at which Melanie went from saint to sinner.

It only made sense that she wanted to experiment and see if she couldn't find that certain something she had been missing. With her limited experience, she didn't even know what it was that she was missing, but she was determined to find out.

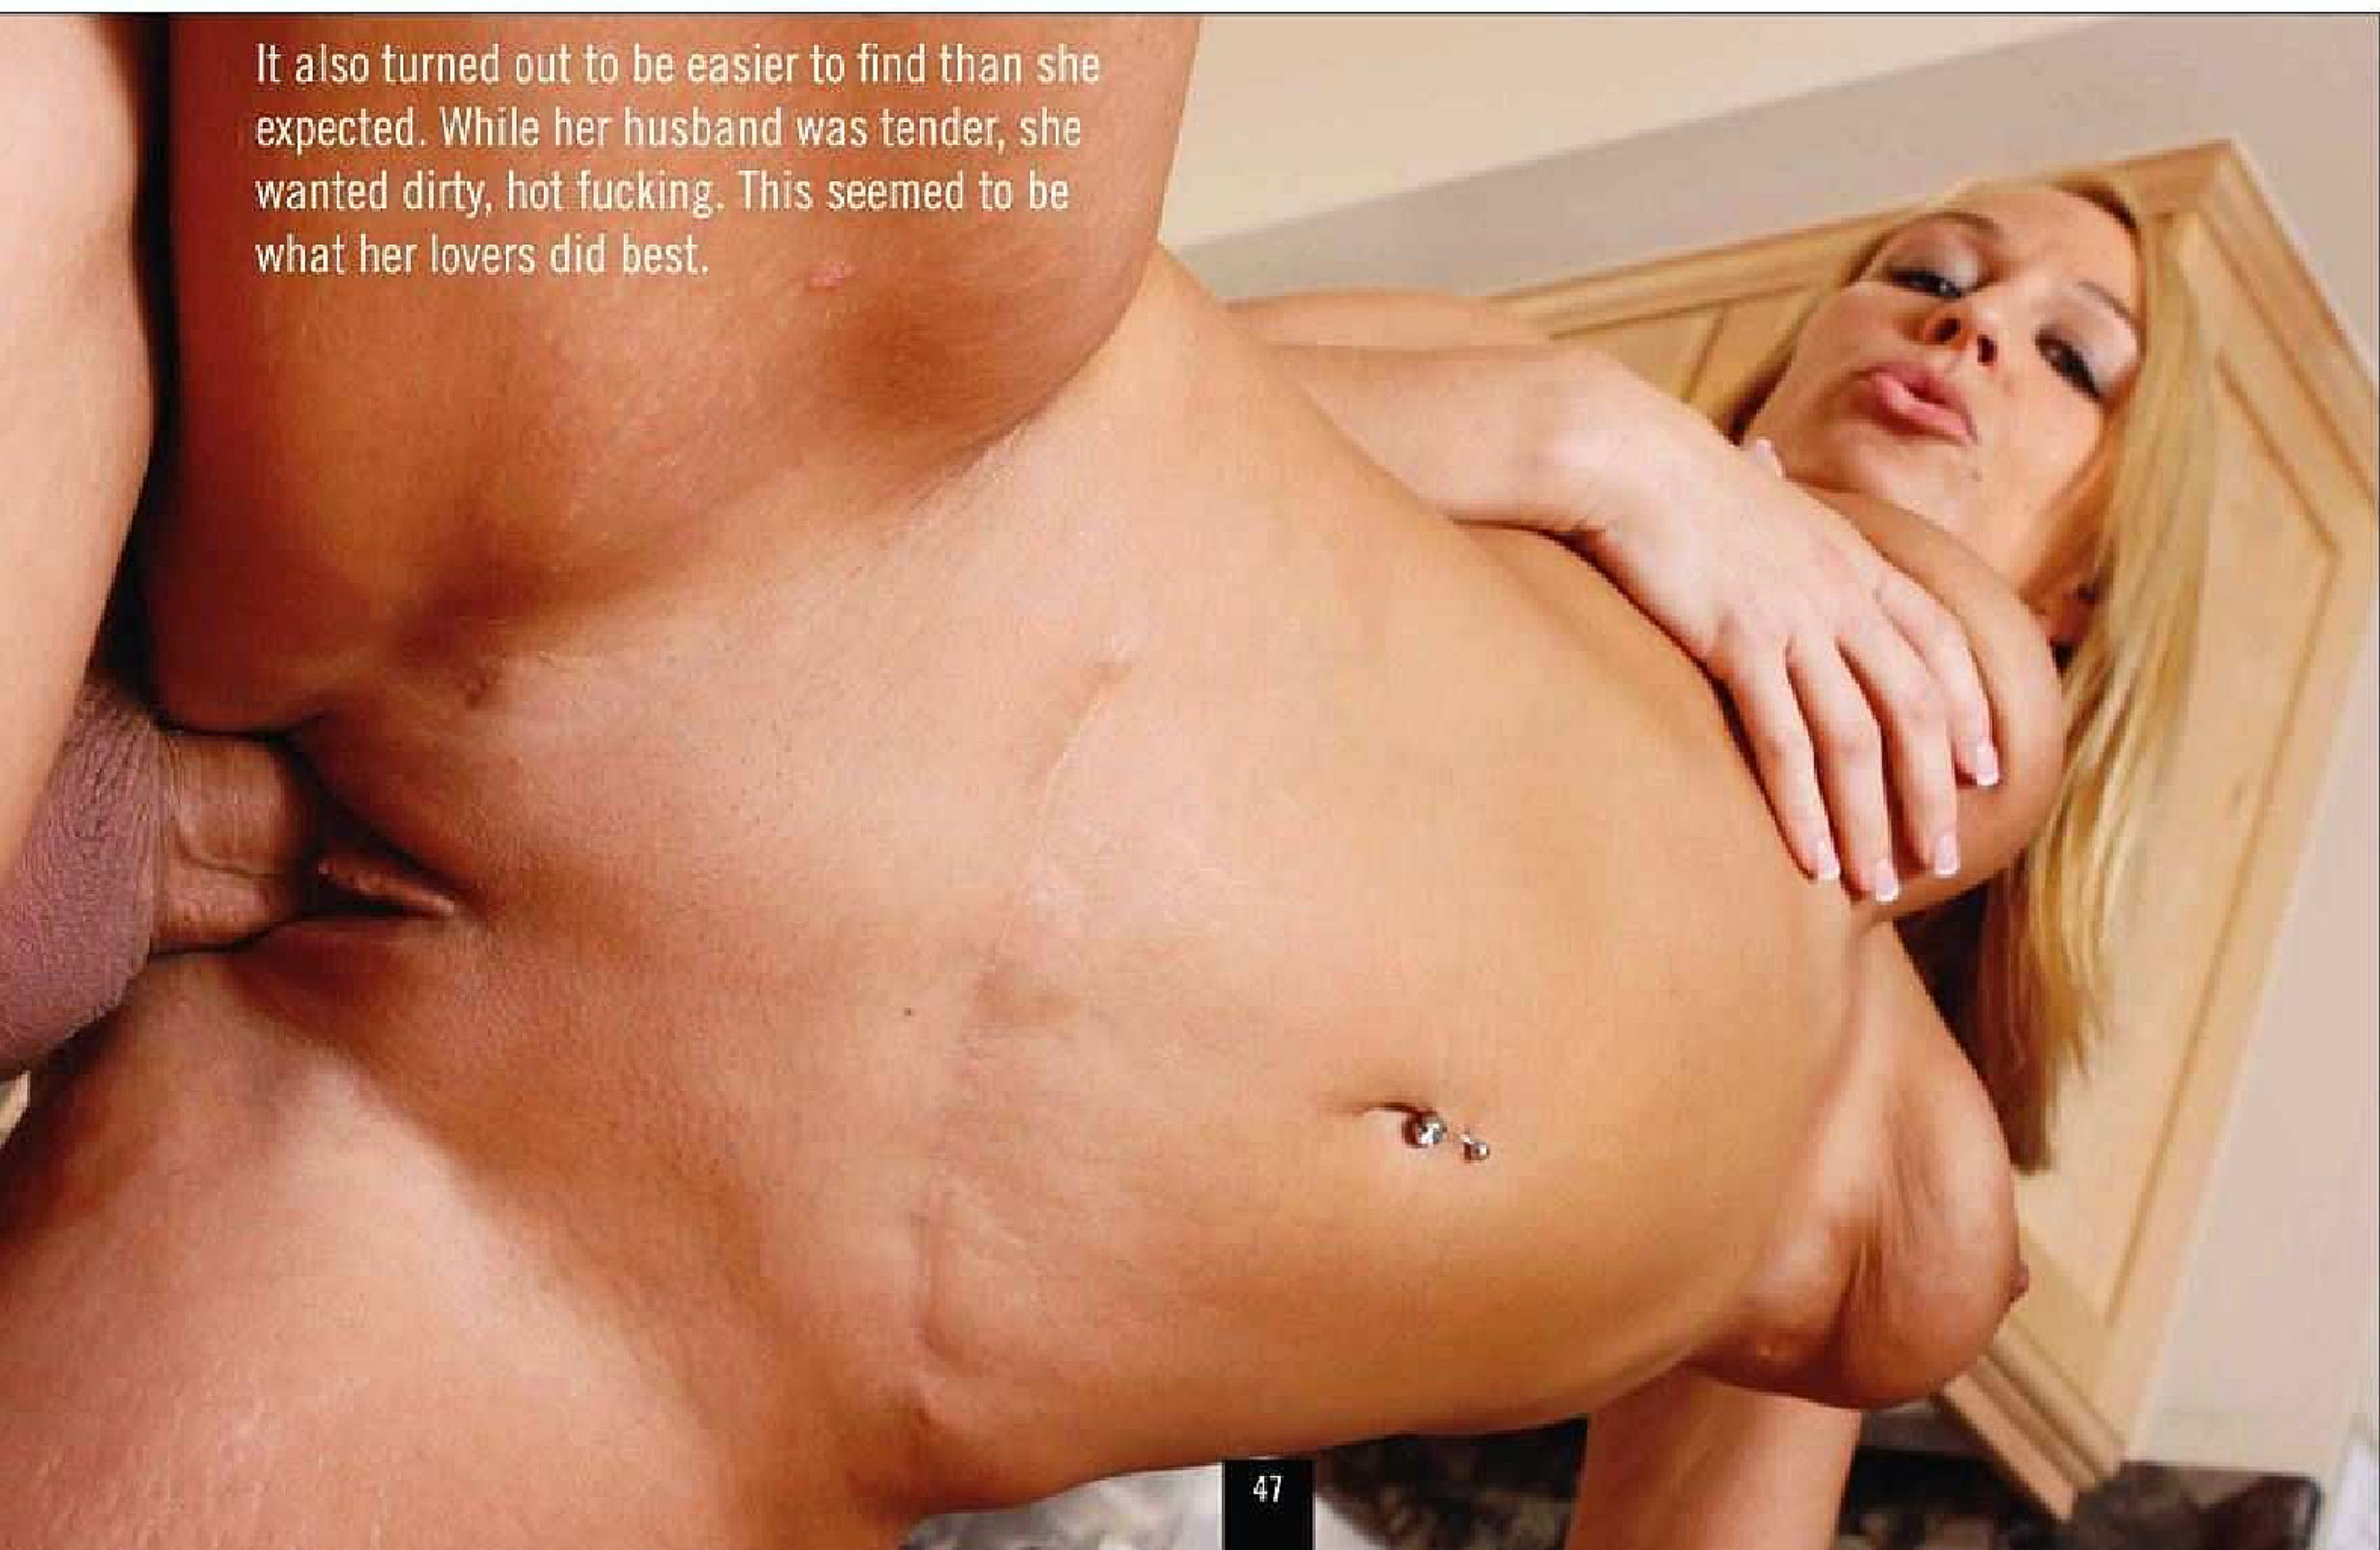

It also turned out to be easier to find than she expected. While her husband was tender, she wanted dirty, hot fucking. This seemed to be what her lovers did best.

The best thing was, they really didn't expect anything from her in return, unlike her husband. It was easy, no-stings-attached screwing, as screwing should be.

A full-page photograph of a blonde woman with her eyes closed, standing in a kitchen. She is unclothed. A hand is placed on her right hip, and another hand is on her left buttock. The background shows wooden kitchen cabinets and a window.

She did feel kind of guilty. For a few minutes, but then she realized that if her husband just worked a bit harder to make her happy, she wouldn't be doing this. Keep telling yourself that, Melanie.

She's a totally new woman, in more ways than one. Her family's even commented on the difference, though they haven't a clue why she suddenly so confident and happy. If only they knew it was because she was up to her neck with cock.

Thanks to her non-traditional education, Melanie's no longer a novice. Perhaps she could even teach you a new trick or two. You'll never know unless you give her a try.

# Claudia

*A Modern  
Mrs. Robinson*

The thing about Claudia is that the maturing of her mentality has not kept up with the aging of her body. In this she is, perhaps, a bit delusional, as she still fancies herself as desirable as she was when she was 20. Not that she isn't still smoking, but 20-years-old, this woman is not. Still, when she looks around her, at men her own age, all she sees are grey hairs and wrinkles - definitely not turn-ons for her. What she needs is firm young flesh and a cock that will stay hard for hours (without the help of Viagra).

Perhaps it's the heady rush they get when this cougar starts making her moves, or perhaps it's just the horniness of youth, but Claudia usually does very well for herself. When she sees a guy she wants, she works very hard to get him hard and in her snatch.

Even though her body might look as though it's seen some action, this can only be good when it comes to her holes. In there, the action's all good.

The thing about younger guys is even if don't have the proper finesse, they definitely have the enthusiasm. Even better, all it takes is a few tugs or licks to get them rock-hard again, ready for round 2 or 6.

You have to admit, she's still got the bombshell body, even though she's pushing her way to her mid-40s. None of her boy-toys seem to have many complaints (aside from drained balls and sore shafts).

If you'd like to have your dick sucked and fucked until you come up dry, Melanie would be more than happy to take care of your needs. Grandpas need not apply.

# Veronica

## *The Slut Next Door*

Veronica had always been a sly little minx, which was possibly why it seemed impossible for her to stay married. Husband #4 had found her in bed with his brother, and having absolutely no sense of humor, had kicked her to the curb. Husbands #1, 2 & 3 had similar stories, though they had found her with their trainer, their accountant and her therapist, respectively. So, needless to say, when it comes to spreading the love, Veronica is one hell of a sharer.

Being single did have its benefits, though it also had its drawbacks. When things broke, or the plumbing got clogged, Veronica didn't have the faintest idea what to do. This is why she was so lucky to be living next door Mr. Handyman. Or, maybe he was the lucky one.

It seemed that something was always broken or out of order, so he'd gotten used to seeing Veronica, knocking at his door, at least once a week.

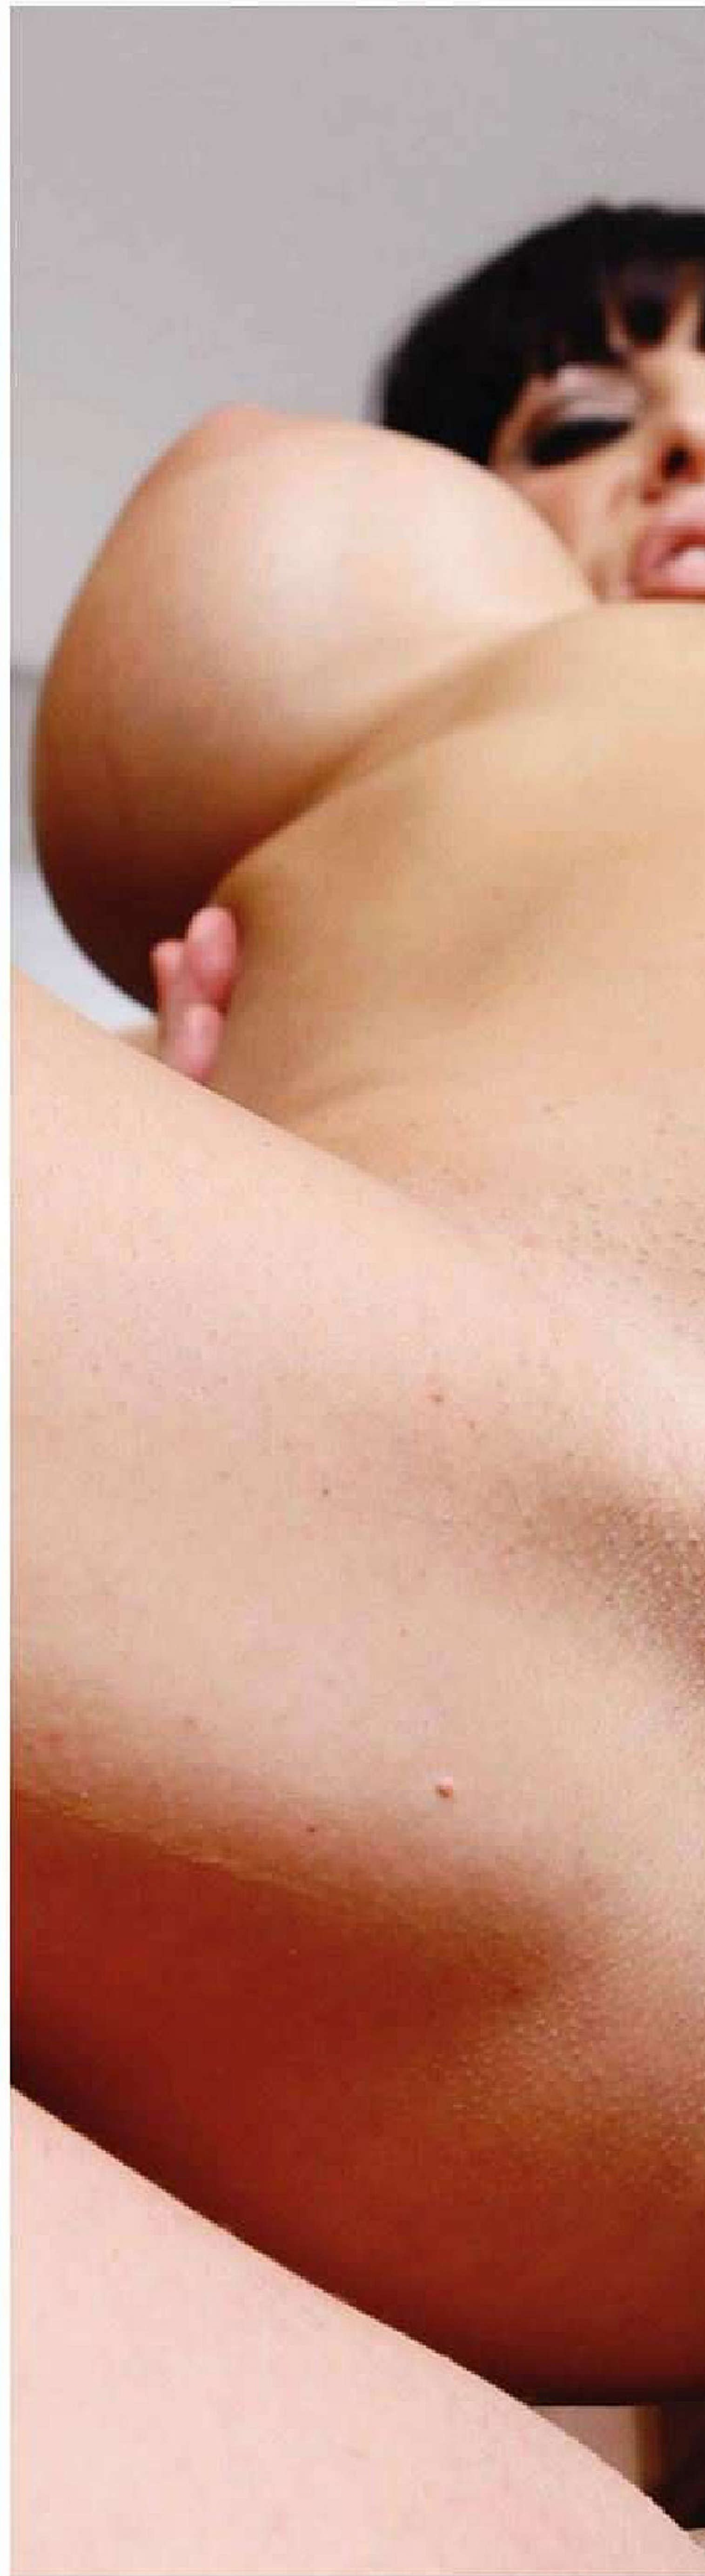

The problems never took very long to fix, but Veronica usually took a very long time to repay him. She reasoned that she was offering a service for a service and, truth be told, this was far preferable to cookies or cash.

Veronica didn't believe in saying no to a man, so she let him do whatever he wanted. His wife, the queen of buzz-kill, disapproved of anal in the strongest terms, but Veronica was always lubed up and ready, his for the fucking.

And of course, she swallows. Obviously, this is not a one-man woman and is always looking for more men to share her talents. Wife got you down? Veronica's full-service and ready for business.

# Jewels

## *Mom with the Most*

Jewels hadn't necessarily wanted to become a mother. She was young, the father was an idiot, and she hadn't the first clue about what to do with a baby. But her parents had insisted that she have it, and eight months later, she found herself with a screaming baby boy and a boyfriend in the wind. Things hadn't been easy. She had trouble finding guys, willing to go out with a single mom, and she had to work far too many hours to pay the bills. She was often lonely, exhausted and very, very horny. However, as her son got older, things started to look up. He started working, to help with their expenses, and, even better, he started to bring home all his very cute friends.

It had been a really long time since guys had checked Jewels out, so when she started to notice her sons friends, staring at her ass or tits, she felt strangely flattered. She also felt guilty - after all, they were her son's age - but that didn't have to stop her from fantasizing. No harm in that.

As these things tend to go, it began with fantasizing, but ended up with doing. Jewels couldn't help herself, and the first one who made a play for her, she folded. He was at least legal, she rationalized. And he did have such a pretty, hard dick.

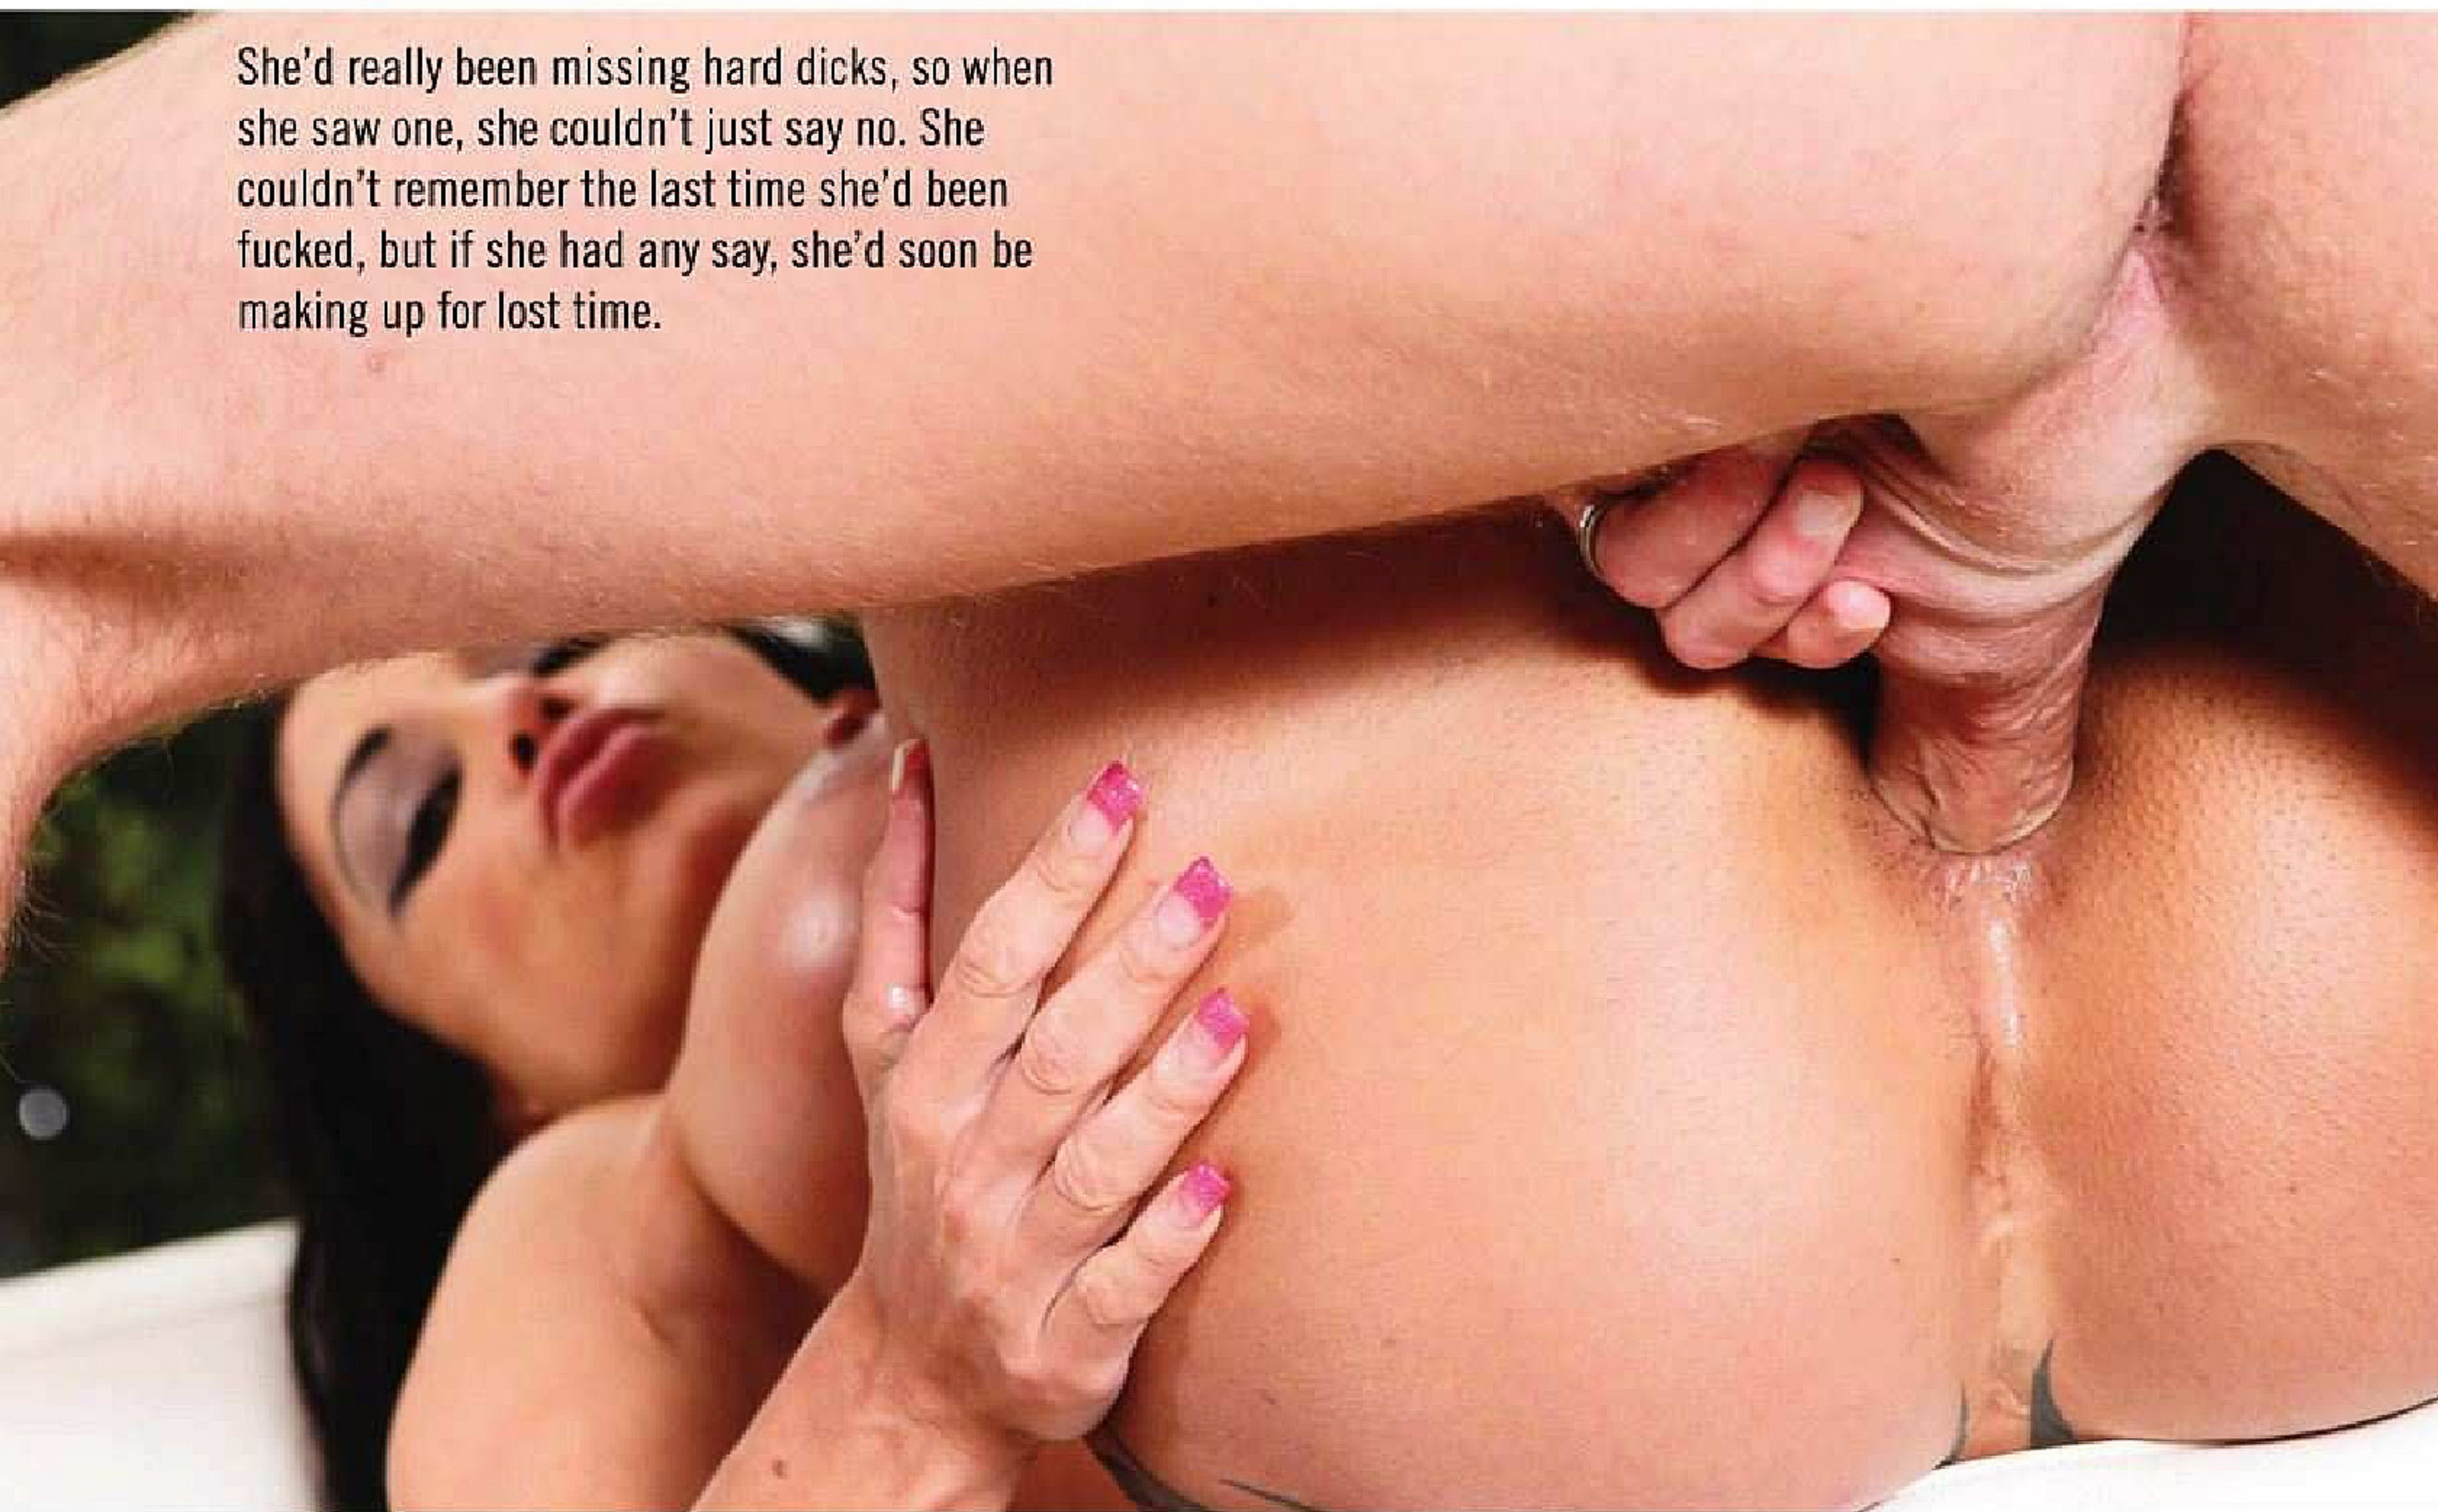

She'd really been missing hard dicks, so when she saw one, she couldn't just say no. She couldn't remember the last time she'd been fucked, but if she had any say, she'd soon be making up for lost time.

It's hard to imagine how wild a woman can go when she'd been deprived of sex for so long. Let's just say that neither of them will be walking straight for quite some time.

Now that she's got  
a taste, Jewels  
only wants more.  
Any age, any type,  
she doesn't give  
a damn. She'll  
give you a screw,  
we promise you'll  
never forget.

# Older Women Fantasies

**800-730-3209**  
 or visit [www.enchantrix.com](http://www.enchantrix.com)

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and essentially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong—I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex", I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better.
